

Dogs are warmly welcome at Hotel ULLI.

Please make sure to inform us when making your reservation if you are bringing your dog, so we can prepare accordingly.

To ensure that all our guests—whether with or without fur—feel comfortable, we kindly ask you to observe the following rules:

- 🐾 Please inform the reception if your dog is not in the room when you leave, so that our housekeeping team can clean the room.
- 🐾 Dogs are not allowed in the restaurant or wellness area. If you would like to have your dog with you during breakfast and dinner, there are designated tables in the bar area where your four-legged friend is welcome.
- 🐾 Please ensure your dog does not disturb other guests. Only calm and well-behaved dogs are welcome.
- 🐾 Naturally, your dog should be house-trained and needs to relieve itself outside. Please always clean up after your dog immediately. There are dog waste bins with dog waste bags just a few meters from the Hotel.
- 🐾 Dogs are not allowed on beds, sofas, or armchairs. Please keep in mind that the next guest in the room may have a dog allergy.

#### Fees and General Information:

We provide a food bowl and a dog blanket. Dog food is not provided.

We reserve the right to charge a cleaning fee of € 25 per night.

Any damages to or in the hotel caused by the dog will also be charged.

**Thank you for your consideration.**

*We wish you and your dog a pleasant stay at Hotel ULLI!*
